

# Meet the Symphony Musician

*March 5 - Kelly Sulick (Principal Flute, Charlottesville Symphony)*

## DIY Instrument: Bottle Flute

Supplies:

- Three or more glass bottles, preferably clear
- Arts and crafts materials (glue, paper, feathers, beads, etc.)
- Food coloring
- Water

Directions:

1. Decorate the bottles with arts and crafts materials.
2. Add different amounts of water to each bottle.
3. Color the water with food coloring so you can see the water levels more easily.
4. Blow across the top of each bottle to get different pitches.
5. Add or subtract water to change the pitch.
6. Play the bottles alone or with someone else in your family - solo or ensemble!
